Award-Winning Northrop & Johnson Yachts

Northrop & Johnson is proud to represent some of the yachting industry's most remarkable, sought-after and award-winning luxury yachts. Receiving accolades design and style, pedigree, innovation, cuisine, service and beyond, these superyachts are a testament to the high caliber of the Northrop & Johnson brand. These luxury yachts and superyachts are available for sale and for charter and are born from well-respected yacht builders and delivered to honored owners who trust Northrop & Johnson to expertly market their yachts.

In addition to the multitude of esteemed yachts in our brokerage and charter fleets, Northrop & Johnson and its brokers are also often found on the prize podium. Our talented, dedicated yacht brokers have received various accolades within the yachting community that often were awarded by their peers — a true testament to their high levels of integrity, honesty and fair-play in business. The brand overall has been awarded top honors for its successes throughout the years. We are proud to be a brokerage firm with such prowess and continue to raise the bar to achieve more year after year.
